The image shows a mobile application interface for a filter screen. At the top, the status bar displays the time 09:19, signal strength, Wi-Fi, and battery icons. Below the status bar is a navigation bar with a back arrow on the left and the title 'Filtre' in the center. The main content area contains three filter sections, each enclosed in a rounded rectangle. The first section, 'Ordenar per:', has a dropdown menu with 'Preu descendent' selected and a faint 'Preu ascendent' option visible below it. The second section, 'Buscar per tipus:', features a search input field with a magnifying glass icon and the text 'Pastanagues'. The third section, 'Buscar per quantitat:', includes a horizontal slider with a green track and a white circular handle positioned at approximately one-third of the range. At the bottom of the screen is a large green button with the text 'Buscar' in white. The entire interface is framed by a thick black border representing the phone's bezel.
